Dear Mrs. MacDonough:

I appreciate your letter of 28 April forwarding to me the minutes of the Annual Meeting of the International Friendship League.

I have been forced by the pressure of my work to re-examine my commitments to private organizations, and I am having to withdraw from most of them. For this reason I would appreciate it if you would permit me to resign as one of the national sponsors of the International Friendship League, Incorporated. I have enjoyed our association and wish the League every possible success in the future years.

Sincerely,

SENT
